DETAILED ACTION

Allowable Subject Matter

1. Claims 11-13 are allowed.

The following is a statement of reasons for the indication of allowable subject matter: the allowability recites at least in part: a display device connected through a connecting portion to the body in an open position or in a closed position with respect to the body; wherein the body has two side surfaces which are not parallel to a central axis of the connecting portion; the two side surfaces having: a first portion having a first distance between the two side surfaces of the body at the connecting portion of the body and the display device, the first distance being smaller than a width of the display device; and a second portion having a second distance between the two side surfaces, the second distance being larger than the first distance, and being approximately equal to the width of the display device.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
